Summary of Christian Doctrine: "We believe that the existence of God can be known with certainty by the natural light of human reason. God revealed himself to us as a personal and loving God. We believe that God is one God in three persons, the Father, the Son and the Holy Spirit. God the Son, the second person of the Blessed trinity, was made man, died upon the Cross to save us and rose triumphant from the dead. We believe that the human person is created body and soul and with free will. God wills every person to be saved for eternal life in the Kingdom of heaven. It is possible to reject God through sin and be separated from him forever in hell".

The 3 Theological Virtues: Faith, Hope and Charity. The 4 Cardinal Virtues: Prudence, Justice, Fortitude, Temperance

During the month of August I shall be printing a summary of Catholic Teaching, just as a little reminder of what many of us were taught from our catechism classes. "A Catechism of the Catholic Church" is a wonderful book and faith tool to have in the home that deals in detail on all the above. I wish you all a grace filled week. God bless. Fr David
